

# PREFERRED ONLINE CLASS ACTIVITIES

FOR COLLEGE STUDENTS

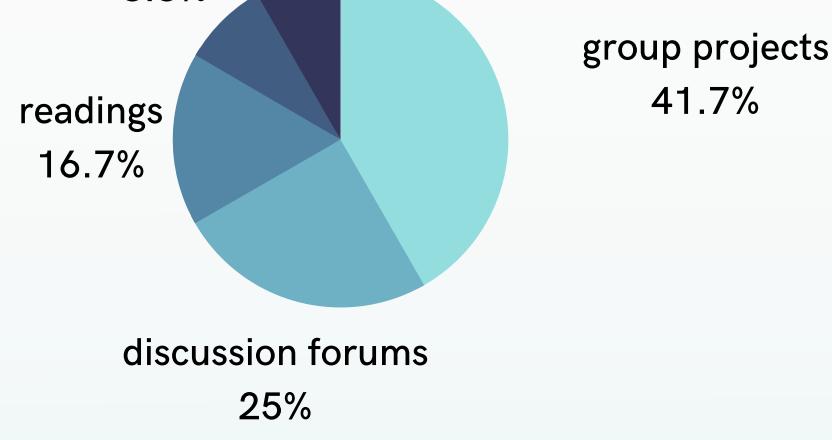

Survey question:  
What is your most preferred  
online class activity?

Recent survey shows that  
synchronous lectures and pre-  
recorded lectures are two of the  
most preferred online class  
activities.

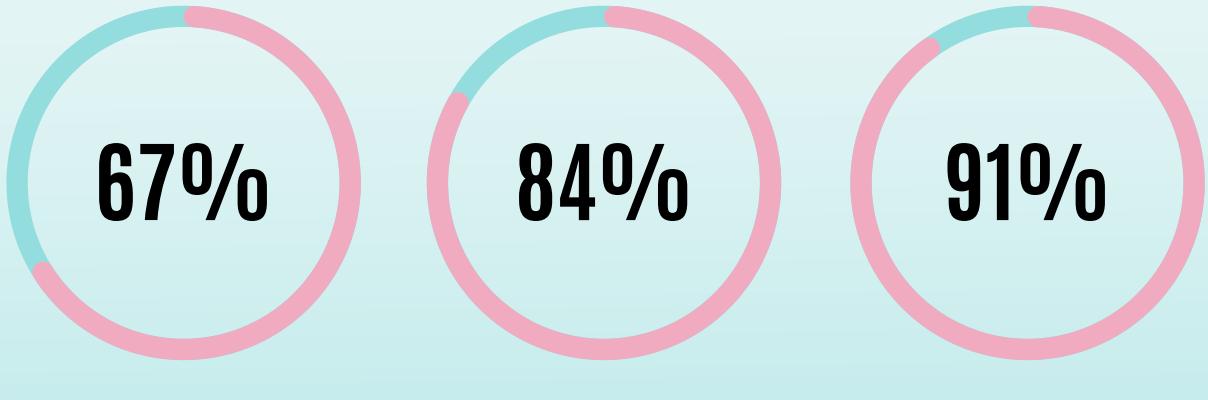

"Advantage of having  
classes online is that your  
schedule is more flexible  
with less travel. You stay  
within the comfort of your  
home. It is easy to keep  
yourself in a productive  
environment."

Survey question:  
What is your least preferred  
online class activity?

The least preferred online activity  
was group projects.

Students believe  
that synchronous  
lectures, quizzes,  
and group projects,  
help them learn.

50% of students  
prefer taking classes  
online. 34% of  
students feel neutral  
about online vs. face  
to face classes.

91% of students  
stated that the  
advantage of taking  
classes online is that  
they can take classes  
anywhere anytime.
